Nathalie Garolle
Senior Director
Triple Effect Capital

Why participate?

- **Access rare liquid climate-resilient EM investments**

Discover liquid, climate-resilient emerging markets strategies that are normally illiquid and hard to access.

- **Access exclusive impact deal flow**

Gain insights into vetted climate, financial inclusion and sustainable growth opportunities for your clients.

- **Network with Geneva's impact community**

Connect with peers, family offices and institutional investors integrating impact and climate into wealth management.
